**Sub: Recommendation letter on GMPPro software**

This is to certify that M/s Motto Systems Pvt Ltd., has successfully implemented GMPPro at VAN Ltd., which is a GMP & ISO Certified Ayurvedic Company located in Chintaluru, East Godavari District, Andhra Pradesh.

For the first time, we have full control over the entire business operations all from my desk. All our Purchase, Warehouse, Production, QA, QC & Engineering departments are now completely automated and the paperwork in these departments are less than one fourth of what it was prior to GMPPro.

We are happy to recommend M/s Motto Systems Pvt Ltd., for any one whom so ever interested in implementing GMPPro for their business.

Sincerely

*Sujan D.V.S*
